

# Osborne Primary School Newsletter Summer Issue 6 - 10.06.22

## Headteacher's Message

In today's newsletter, I am able to share our term dates for next academic year. The calendar attached to this letter indicates the days in school, holiday dates and INSET days. These dates are being circulated in advance to enable parents/carers to plan holidays around school time.

When setting these dates, we have worked hard to ensure that we have organised INSET days to allow families the space to take holidays when children are not in school. For example: we have set INSET days next to school holidays which should provide greater opportunities to book a holiday without missing time in school. In previous years, a number of families have taken children out of school in order to go on holiday and in some cases, this has been reported by parents/carers as illness, however children have informed friends and teachers that they have been on holiday. Please note: where we are confident that families have been on holiday, children's absence will be marked as unauthorised and the appropriate processes will be followed. Please can I remind you that chunks of time missed in school causes huge disruption to the learning of children, their classmates and the teachers, as timetables have had to be altered to account for learning that children have missed. Next academic year, we will continue to work with the local authority to tackle persistent and unauthorised absence.

We very much want to continue to work in partnership with parents/carers to ensure that all of our children get the very best education possible. Therefore, please work with us to book your holidays and visits during the times that we are not in school.

Best wishes,  
Mrs Lisa Dodd  
Headteacher

## Upcoming Events

- 3.06.22 - Y4 timestables check will take place this week
- 19.06.22 - Y6 trip to the T20 cricket
- 27.06.22 - Y1 trip to Thinktank
- 28.06.22 - Reception Phonics Assembly to parents
